

AV Requirements for Dr. Todd Berntson

To ensure the best presentation, please have the following:

- A lavalier or headset microphone. A microphone is required for any group of more than 25 people.
- Riser or stage in the front of the room. Placement should be no more than 10' from the front row, unless in an auditorium.
- Stage lighting is necessary with any audience of over 200 people or in a darkly lit room.
- No PowerPoint support is necessary. Dr. Todd does not use PowerPoint.
